

Guidelines for TK-12 Student Spirit Wear

Harker's Eagle Store is the home of all spirit wear. Check there first to see if your needs can be met with existing merchandise. All Eagle Store clothing includes Harker's official color, dark green (PMS 343).

pantone 343 green/
forest green or
equivalent

White

light-medium gray

Athletic uniforms and team wear is handled separately through the athletic departments. All custom staff requests should go first to eagle.store@harker.org.

If a custom student order is required, follow these guidelines:

All student clothing designs must be sent to the appropriate division's dean of students for approval.

- All clothing will have a small, horizontal, corporate Harker logo on the collarbone area, applied by the Eagle Store. If the clothing is dark, the Harker logo will be white; if light, the Harker logo will be Harker green. Examples:

- The school prefers custom spirit wear to be on clothes that are one of the school's spirit colors. However, we recognize that some clubs/programs have their own signature colors, so any solid color clothing (available through the Eagle Store club site) may be used as long as it is approved by the dean.
- Clubs/programs whose official logo already includes a Harker H (athletic or corporate) do not also need the collarbone logo. Example shown at left.

- Once the student design is approved by the dean/assistant head, contact the Eagle Store. They will help you use the online tool to select final fabrics, colors, and upload your art. They will also handle proofs and purchasing: eagle.store@harker.org.
- Organizations looking to have a design professionally created by the OofC should email communications@harker.org for discussion and consideration.
