KHA SAFETY DATA SHEET SEARCH INSTRUCTIONS

Once found, you can elect to see the entire (1-10+ pages) Safety Data Sheet or a Summary Page with the critical data all in one place!

SDS Search ?

You are searching for "Klean Strip Lacquer Thinner" and there is one result.

Queue Action

[Add All to Queue on this page](#) [Add All to Queue](#) [Clear Queue](#)

<< first < prev **1** next > last >>

SDS ID	Queue	SDS	Product Name	Manufacturer	Revision
100843	Add		Klean Strip Lacquer Thinner (GML170, QML170, CML170, QML170M, DML170, GML170P, PA12782, QML170W, GML170W, QML170S, GML170M)	W. M. Barr	2015-04-17

<< first < prev **1** next > last >>

By selecting the orange product link, you will get a 1-page view of the product's hazards, including the all-important NFPA diamond hazard levels critical for secondary labels, plus ingredients and precautionary information.

KHA SAFETY DATA SHEET SEARCH INSTRUCTIONS

In addition, you can select the Print Label button and get a PDF to print from any color printer. There are lots of resources to help you get started on the web page.

Go to http://harker.kha.com/search_results.php or through the portal and select “Resources” to find How To videos on how to find an SDS and how to print labels. There are also other links to helpful information, including a full user’s guide.

Resources

Videos

	Find SDS 04:23 How to find an SDS
	Print Labels 04:18 Generate secondary container labels
